in Kuestrin (0 53/V 66), the Pionier Kaserne on Warnicker Strasse, Kuestrin-Neustadt, was occupied by a Polish tank unit in November 1952. The unit had been stationed there since 1 September. The customs official stated that the unit was equipped with T-34 tanks and used the former drill grounds in Kuestrin-Neustadt for firing practices. The bekery of the former German army ration supply depot in Kuestrin was again in operation.
